Meet the REAL Ndugu!

from 'About Schmidt'

DO NOT DISCARD THIS ENVELOPE!

Change a life. Maybe even your own.

First, watch and enjoy this extraordinary film. Note that when the newly retired insurance executive Warren Schmidt (Jack Nicholson) reaches out at last to make a difference in the world, he calls Childreach.

Childreach is a very real organization helping millions of children in the poorest countries of the world for over 65 years. One of the ways we help is through sponsorship, the wonderful opportunity for someone like you to make a real and lasting difference in the life of a child, a family, a community.

Many people spend their whole lives thinking about making a difference in the world. It took most of Warren Schmidt's life just to pick up the telephone and call Childreach. It took a 7-year-old boy in a remote village in Africa to show Warren he really can change a life, as a Childreach sponsor. And in so doing, change his own.

Childreach is the real thing. **Please sign up to be a Childreach sponsor today.** "Life is short," says Warren Schmidt. "I can't afford to waste another minute." Enroll today!

PLEASE MAKE YOUR TAX-DEDUCTIBLE CHECK PAYABLE TO **CHILDREACH** AND INSERT HERE. THANK YOU!
